PRESIDENT'S Message

"Education is not preparation for life, it is life itself", John Dewey

Dear Prospective Parents,

G.T.B. institution tends to build a resourceful individual out of native humanity, rendering them wisdom for broader prospective of life. The unique blend of academics, co-curricular activities and value education imparted at this institution continues to set it apart from the crowd of other schools.

It is my humble request to the parents that they should become active partners in the education of their child along with the institution. They should try to keep their children away from mobile culture and imbibe moral values in them. Moreover I feel that the need of time is to inspire the youth to take pride in serving their own country rather than rushing towards foreign countries. Thus they may become more caring, productive, responsible citizens and future leaders of the nations.

I take privilege to convey my sincere thanks for valuable co-operation extended by my visionary fellow committee members, principal, dedicated staff members, laborious students and untiring support of the people of illaqua.

I pray to the Almighty to give us courage and enthusiasm to tread new paths with determination and reach the highest epitome of success.

With Best wishes.

S. GURDEEP S. SANDHU
President

Dear parents & Students,

An exuberant 'welcome to the new session', let us pave wave to its commencement with great fervor and supposition for achieving towering standard in the field of academics and other essential skills. In the present era of digitalized world, it is biggest challenge before an educator to nurture young minds with indelible impressions of holistic education, therefore we come up with vision to develop vibrant students, responsible citizens and above all generous human being, with our child centric pedagogy.

The G.T.B-Kh. Sen. Sec. School is hailed as deemed institution which has carved a niche for itself. Our student 'Aman' of humanities group, kept up the legacy of achieving Top position in state in board exams of session 2018-19, Six others scored merit positions from all the three streams (Science, Arts & commerce). Extra-ordinary achievements in sports and co-curricular activities have also added a gem to its crown. All this is possible due to dedicated efforts of deeply committed Management, experienced teachers and active parents and talented students.

The school is well equipped with spacious class rooms, Science & Computer labs, playgrounds, smart classes, well stocked library, dynamic school website, automatic SMS system, smart way study parent's mobile application & C.C.T.V surveillance

I invite more suggestions and thank all the parents who have reposed their faith in our school. We assure to do our very best always. Together we will have to move along, as we all sincerely believe to achieve higher and reach higher.

Establishment

Establishment "The school should serve humanity with humility" With this objective Guru Teg Bahadur Education society has been working with full enthusiasm and real under the Chairmanship of Dr. Pritpal Singh since July 23, 1973. After the sad demise of Dr. Sahib, our new President / Chairman S. Gurdeep Singh Sandhu has taken over the charge of this well established institution and decided to take the school at new heights.

Fully Digital & Ultra Modern New building has been constructed for the Junior wing, which will be Functional from the coming session.

The school is located in pollution free environment of the town and expands in 6 acres of land. The school is providing education in two separate wings.
